Ref. 27247

The diagram shows a relay assembly with four labels: G, G, WB, and WB. Below the labels is a table with two rows and two columns. The first row contains '12' and '50', and the second row contains '5' and '10'. The table is divided into four quadrants by a vertical line and a horizontal line. The top-left and bottom-right quadrants are marked with an 'X'. The top-right and bottom-left quadrants contain the numbers 12, 5, 50, and 10 respectively.
